The Board is going to move forward on this amendment.

Governance Policies

J Sloss made the following-

Motion: Move the Governance Policy review and consideration to the next quarterly Board meeting
2nd: W Kimbrell
Vote: Unanimous approval

Fireplace Discussion Follow up

J Sloss suggested hiring SGM as project manager for the flue replacement project. The Board will continue researching fire place and flue replacements.

Operating Budget Follow-up from HOA Meeting

The Board acknowledged the increasing prices in the nation and valley and W Kimbrell expressed concern regarding the membership's hesitation in increasing operating dues even though the budget was projected to be in the red without the increase. The Board talked about ways to decrease spending, including investigating water usage and billing. W Bearth suggested the Board consider changing the insurance policy to cover bare walls only instead of walls in and increase the deductible all to bring down the yearly premium. J Sloss recalled that the Board found out there is no benefit in insurance rates by not having wood burning fireplaces. W Bearth informed the Board that CBL is making efforts to reduce the trash expense, including informative signs on the dumpster on how to properly dispose of electronics and construction debris.

D Charapata made the following-

Motion: Eliminate the recycling program as soon as possible
2nd: W Kimbrell
Discussion: CBL informed the Board of the yearly cost of the recycling program. The Board discussed the frequent contamination of the recycling, causing an extra fee and labor from CBL to sort and/or dump the contaminated bins.
Vote: Unanimous approval

Capital Plan Follow-up from HOA Meeting

J Sloss spoke at length about the perils of not maintaining the building on a timely basis. The Board agreed that allowing capital projects to build up over time has a negative impact on property values and on sales. The safety of the residents may also suffer as evidenced by the recent tragedy in Florida. J Sloss concluded the conversation by acknowledging that the capital plan gets adjusted every year as needed, and is a good budgeting tool for owners.
