

Wood Creek

Record of Action by Electronic Vote

2021

Unit 403 Trailer Parking

The Board approved unit 403's request to park a snowmobile trailer in the lot for the winter season.

Unit 401 Remodel

The Board approved unit 401's request to remodel on August 3rd to install new flooring with a silencing pad underneath.

Second Declaration Amendment

The Board approved the motions cast on July 27, 2021, to approve the second amendment language to the Wood Creek Condominiums declaration as drafted by legal counsel and to submit the amendment to all holders of any recorded mortgage or deed of trust.

Trailer Approval

The Board approved the request made on July 27th, for unit 504 to park a 10' raft trailer in the lot until August 12th, 2021.

Trailer Approval

The Board approved the request made on July 1st, for unit 403 to park a 20' airstream on the property until Thanksgiving.

Budget Approval

The Board approved the motion made on June 21, 2021, to approve the operating and capital budget for the coming fiscal year, as submitted by Wanda Kimbrell.

Elevator Repair

The Board approved the motion made on May 26, 2021 to accept TKE's proposal to repair the elevator.

Flue Assessment

The following motions were approved with a majority vote from the Board of Directors on April 20, 2021.

Action #1: Rescind the motion made on 4/17/21, following careful consideration of the options and arriving at the conclusion that allowing the permanent removal of certain flues prior to a supporting declaration could place the HOA in a vulnerable position.

Action #2: The HOA will move forward with the assessment and due dates, as approved by a majority vote of the membership at the 4/10/21 special meeting.

Action #3: Homeowners will be asked to choose a flue size by noon on Friday, April 23rd, 2021. Eight inch flues will be installed in the event that an owner does not supply a choice. That way their current firebox will be operational after the install for a future sale. An owner can choose a six inch flue, with the understanding that the top of their current firebox would be smashed in rendering it inoperable.

Flue Assessment

The Board approved the motions cast on 4/17/21, altering the assessment due date and flue options.

Action #1: Delay the due date for the first portion of the flue project special assessment to June 1, 2021

Action #2: Delay the due date for the second portion of the flue project special assessment to August 1, 2021

Action #3: Allow an additional choice to home owners, not previously offered, which is to remove the flue and render the associated firebox inoperable.

- This action is intended to reduce the total assessment
- The adjusted budget will be presented to members at a future meeting and members will be asked for their approval for this common expense as per Section 1(E)(3) of the Association's Declaration
- Home owners will be given a deadline by which to make their choice for the flue serving their unit(s), if no choice is made by the deadline, the flue will be replaced with an 8" flue connected to the existing firebox.
- Per our Declarations, By-laws, and CCIOA, the SA must be assessed to all home owners based on percentage ownership

Assessment Due Date

The Board approved the motion cast on 3/29/2021 to alter the assessment due date for the flue replacement work to require that the first portion of the Special Assessment shall be due May 1st, 2021, and the balance of the Special Assessment due July 1st, 2021.

Flues and Assessment

The Board approved the motion cast on 3/19/21 to: 1) Accept the proposal from Inside Out-Hearth and Patio for replacing the flues with new 8" pipes, 2) Assess each unit their proportionate share of the total, \$131,394.24, with the first half to be due on April 15, 2021 and the remainder to be due on 7/01/2021, 3) Present this capital budget to the members at a special meeting to be held on Tuesday, March 23, at 2PM MDT.
