RE: Notice of Wood Creek Homeowners Association Dues Increase

Hello,

Please note that per the annual HOA meeting held on July 3, 2019, the association voted and approved to increase operating dues by 6% for the fiscal year starting July 1, 2019. Due to the timing of the meeting, an additional invoice was sent to collect the difference for the first quarter and you should have received that email with invoice on July 3rd.

I've enclosed a copy of the meeting minutes and amended operating budget. These are also posted to WWW.WoodCreekLodge.Org

Kind Regards,
