The Association acknowledges that it has a duty to its membership to enforce its Condominium Declaration, the Association's Rules and Regulations, Bylaws, and Responsible Governance Policies, all as the same may be amended or restated from time to time. It is the policy of the Association to enforce, as written, any applicable provision of the Association's Condominium Declaration, Rules and Regulations, Bylaws, and Responsible Governance Policies.
2. Investigation of Alleged Violations. If a violation of the Association's Condominium Declaration, Rules and Regulations, Bylaws, or Responsible Governance Policies occurs, or a violation is alleged to have occurred, and such potential violation is reported to the Board of Directors ("Board"), the Board shall investigate the allegations to make a determination whether such violation or threatened violation has in fact occurred. In such investigation and subsequent enforcement, if undertaken, the Board shall act in good faith and shall not act arbitrarily or capriciously.
3. Enforcement – Board Discretion. The enforcement of the provisions of the Association's Condominium Declaration, Rules and Regulations, Bylaws, and Responsible Governance Policies shall be subject to the discretion of the Board as to the timing, manner, and method of pursuing such enforcement, but in no event shall the Association's fact-finding process to determine whether a violation has occurred take longer than 60 days from the date the Association first had notice of the alleged violation. Provided that its actions are reasonable, the Board may decline enforcement of questionable violations, enforce covenants by filing suit for injunctive relief or other remedies, or levy fines for violations after notice and an opportunity to be heard is given to the alleged violator. In exercising such discretion, the Board shall consider both the specific covenant or rule violation alleged, and the overall interests of the community and Association.
4. Hearing Before Impartial Decision-Maker(s). If a unit owner or a unit owner's tenant, guest or invitee is determined to have violated the provisions of the Association's Condominium Declaration, Rules and Regulations, Bylaws, or Responsible Governance Policies, after notice and hearing to the alleged violating owner in front of an impartial decision-maker, the Association may impose a fine for the violation in the amounts stated in the Association's Rules and Regulations, but in no event shall any violation incur a fine of more than \$500. A decision-maker shall not be deemed to have a direct personal or financial interest in the outcome if the decision-maker will not, as a result of the outcome, receive any greater benefit or detriment than will the general membership of the Association.
5. Owner Not Responsible for Alleged Violation. If, as a result of the fact-finding process described in this Policy, it is determined that the unit owner should not be held responsible for the alleged violation, the Association shall not allocate to the unit owner's account any of the Association's costs or attorney's fees incurred in asserting or hearing the claim. Notwithstanding any provision in the Condominium Declaration, Bylaws, Rules and Regulations, or these Responsible Governance Policies to the contrary, a unit owner shall not be deemed to have consented to pay such costs or fees.

6. Violating Owner Responsible for Association Attorney Fees and Costs. It is the intent of the Board that once a violation of the provisions of the Association's Condominium Declaration, Rules and Regulations, Bylaws, or Responsible Governance Policies has been determined by the Board to have occurred, any expenses, costs, and attorney's fees incurred by the Association shall be assessed against the violating owner in the same manner as an assessment.

7. Violations that Threaten Public Safety or Health. The total amount of fines imposed for any violation may not exceed five hundred dollars (\$500), even if said violation is continuing in nature.

8. Violations that Do Not Threaten Public Safety or Health. If the Association reasonably determines that a unit owner committed a violation of Colorado law or of the Association's Condominium Declaration, Rules and Regulations, Bylaws, or Responsible Governance Policies that does not threaten public safety or health, the Association shall:

c. If the unit owner cures the violation within the period to cure afforded the unit owner, the unit owner may notify the Association of the cure and, if the unit owner sends visual evidence with the notice that the violation has been cured, the violation is deemed cured on the date that the unit owner sends the notice. If the unit owner's notice does not include visual evidence that the violation has been cured, the Association shall make an inspection as soon as practicable to

determine if the violation was cured.

d. If the Association does not receive notice from the unit owner that the violation was cured, the Association shall inspect the condominium unit or other area in which the violation was alleged to have occurred within seven (7) days after the expiration of the first thirty (30) day cure period to determine if the violation was cured. If, after the inspection, and whether or not the Association received notice from the unit owner that the violation was cured, the Association determines that the violation was not cured, then:

i. A second thirty (30) day period to cure commences if only one thirty (30) day period to cure has elapsed; or

ii. The Association may take legal action against the unit owner if two (2) thirty (30) day periods to cure have elapsed.

9. Violation Cured by Unit Owner. Once a unit owner cures a violation, the Association shall notify the unit owner, in English and in any other language that the unit owner has indicated a preference for correspondence and notices pursuant to Section 8 of the Association's Collection Policy above, of the following:

The Association shall send the itemized list to the unit owner in English and in any other language for which the unit owner has indicated a preference for correspondence and notices pursuant to Section 8 of the Association's Collection Policy and to any designated contact for the unit owner.
